

TR Calibration Field Service Capabilities

Electrical

- Multimeters
- Clamp Meters
- RCD Testers
- Insulation Resistance Testers
- Portable Appliance Testers
- Loop Impedance Testers
- Ducters (micro-ohmmeters)
- Loop Calibrators
- Ground Earth Resistance Testers
- And many more...

Electrical Safety Equipment

- Insulating Gloves
- Insulating Sticks (live work, telescopic and link sticks)
- HV and LV Rescue Kits
- Insulating Mats and Covers
- High Voltage Detectors (EG Modieworks)
- Portable Earths
- All HV Live Work equipment (sleeves, covers, jumpers, blankets etc)

Lifting and Height Safety Equipment Inspection

- D and Bow Shackles
- Chain Slings
- Synthetic Fibre Slings
- Wire Rope Slings
- Lugs
- Harnesses
- Lanyards
- Ladders
- Pole Platforms
- Rescue Kits

Dimensional Metrology

- Micrometers
- Callipers
- Dial Gauges
- Height Gauges
- Master Straight Edges
- Feeler Gauges
- Digital Spirit Levels
- Digital Protractors

Pressure

- Industrial Gauges
- Test Gauges
- Digital Gauges
- Manometers
- Pressure Switches
- Pressure Calibrators
- Pressure Relief Valves

Gas Detection/Breathalysers

- Standard 4 Gas Detectors
- Initial Indication Breathalysers

Sound

- Class 2 Sound Level Meters

Temperature

- Infrared Thermometers (Temperature Guns) (From 50 °C to 500 °C)
- Temperature Probes
- Ovens
- Fridges/Freezers
- Thermal Imagers

Mobile Elevated Work Platforms

- Periodic testing up to 66kV
- Insulating Basket Liners
- Emergency Descent Devices
- Wet testing methods compliant to AS/NZS 1418.10

Welder Calibration

- Mig, Tig, and Arc Welders
- Current, Voltage, and Wire Speed calibration compliant to IEC 60974-14 up to 600A
- Voltage Reduction Device calibration on Arc Welders

Torque (Up to 1500Nm)

- Torque Wrenches
- Torque Screwdrivers

Survey

- Laser Levels
- Dumpy Levels

Ultrasonic

- Ultrasonic Thickness Testers
- Paint Thickness Testers
